10.1”CITYLINE MESSANGER BAG

Built for the professional businessperson, this lightweight vertical messenger style bag is designed for iPads and standard tablet PCs up to 10.1”. Ergonomically-friendly and incredibly durable, this contemporary sleek black messenger bag features a large top zipper pocket with a separate padded pouch for your iPad® or tablet PC along with pockets for a mouse, cables and charger. The front zippered work station is designed to keep you organized with custom fit compartments for pens, business cards, mobile device and accessories. Directly above the zippered workstation pocket is a zippered security compartment that can hold your personal items, ID or passport. The removable sturdy strap adjusts for comfortable over-the-shoulder or cross-body carry.

Features & Benefits:

- Lightweight design, superior construction
- Dedicated padded pocket for iPad or tablet PC with accessories pouches
- Work station compartment for: business cards, keys, pen, smartphones
- Zippered security pocket for personal items and ID
- Removable & adjustable shoulder strap for over-the-shoulder or cross-body carry
